

# AFROSWEDEN REAL ESTATE

Your Palace Awaits You

Developing luxurious apartments in the heart of Addis Ababa, Bole: Afrosweden Real Estate promises an extraordinary living experience, designed for those who seek nothing but the absolute best. A leading developer in the industry, Afrosweden Real Estate is where premium quality & convenience harmoniously converge.

Bala Media took to heart the message our client wanted to communicate and we designed a full-stack digital marketing approach which encompassed website development consultancy, website management service, high-end photography & videography production fitting a brand aiming to showcase luxury.

We also designed a meticulously strategic content plan and through a mix of high engagement contents including motion graphics & animation works along with thoughtful media buying we were able to elevate Afrosweden Real Estate's brand & accelerate their sales.
